Booking, rescheduling and cancellation policies

I offer very few time slots per week to give each client a custom boutique experience.
Most of the time only one shoot is booked per studio day.

Reschedules

Eight to Fourteen (8-14) days before the scheduled time a $100 fee will apply to reschedule

Forty Eight (48) hours to seven (7) days a $200 fee.

Forty eight hours or less your entire session fee is non refundable.

*After two (2) reschedules it is up to the discretion of the Photographer whether a new date will be given.

Fifteen days or more no rescheduling fee applies.

Session Fee

Your charge card on file WILL be charged (processed) for your time slot. You are purchasing a time period versus a shoot.

The charge on file will be used for any rescheduling, cancellation or no show fees if applicable.

Cancellations

No refunds less than seven (7) days.

Makeup/Hair Artists

You will hire and pay them directly according to their policies.
If a makeup artist needs to reschedule/cancel that is not a reason to reschedule with me. I have eight makeup/hair artists to choose from, three are full service salons.
