Developing shadows and gradients in your lighting.

This is a show and shoot based workshop. Students will be the subjects.

Minimum of four attendees required

Mixing light sources Shutter Dragging Shake and Bake  
Artistic choices Double key lighting Edge Key lighting

Intermediate/Advanced Lighting and Model Posing  
Seven hours \$250

This is a class for high end studio lighting.  
Using several small dramatic light sources.  
Developing shadows and gradients in your lighting.  
Strobes and hot lights will be used.

Attendees will be photographing a model based on our setup.  
Attendees will act as on set assistants and will be setting up and handling all equipment.  
Images can be used for your website.  
Minimum of four attendees required

Mixing strobes with constant sources Shutter Dragging  
Shake and Bake Artistic choices Edge lighting  
Double key lighting Gels and Fog

I will be showing various types of posing but the class will be heavy on lighting.  
With small light sources there is not much room for "moving" as you're lighting for that specific pose.  
Attendees will be shooting and given a model release.  
A minimum of four attendees needed for the workshop.

Photographers will be photographing the subject one at a time.  
Model and makeup artist will be supplied.

Commercial Model Lighting and Posing    Three hours    \$150

Working with commercial models

Commercial high key strobe lighting set up to allow for greater model movement. Commercial model provided and attendees will be shooting and given a non commercial model release.

High key white, floor length is your most important commercial lighting setup and can be done many different ways.

Set up of choice for my commercial clients.

Makeup/hair artist and professional commercial model provided.

A minimum of four attendees needed for the workshop.

No tipping required.

Beauty Lighting and Posing    Three hours    \$150

Beauty model and makeup/hair artist provided.

This setup would be useful for high end glamour and pageant shoots.

Attendees will be shooting and given a non commercial model release.

A minimum of four attendees needed for the workshop.

No tipping required
